Assalamu Alaikum- Peace be upon you!

The Inner-City Muslim Action Network (IMAN) is excited to announce its 21st Anniversary Annual Fundraising Dinner, to be held at the beautiful South Shore Cultural Center in Chicago on Saturday, December 1, 2018. We would be honored to have you as a sponsor for this special evening and are eager to have you join us for a culturally inspiring and socially relevant program.

IMAN is a non-profit organization based on Chicago's South Side that fosters health, wellness and healing among diverse populations in the inner-city. For the past 21 years, IMAN has been committed to organizing around issues like food justice and criminal justice reform; providing affordable primary, behavioral and oral health care to low-income families at their community health center; training, housing, and developing returning citizens and high-risk youth into leaders and advocates through its Green ReEntry program; and using the arts to connect, inspire, and mobilize communities. In 2017, IMAN's Executive Director, Dr. Rami Nashashibi, was awarded the prestigious MacArthur "Genius" Fellowship, a profound testament to the important model that IMAN has been building for years.

This has been a pivotal year in IMAN's evolution and our dinner on Saturday, December 1, 2018 is an opportunity to celebrate our collective accomplishments and look toward the future with our friends and allies. We anticipate a packed room for this elegant dinner and are excited for the possibility of announcing your name as one of the companies who made the evening possible.

Please take a look at the enclosed sponsorship opportunities and let us know if we'll have the honor of your support for this event.

Sincerely,

Alia J. Bilal
